FOR IMMEDIATE RELEASE

SR-91 Weekend Closures for Pavement Rehabilitation

Lakewood and Bellflower – The California Department of Transportation (Caltrans) will close eastbound Artesia Freeway (SR-91) Lakewood Boulevard and Downey Avenue on-ramps from Friday, April 28 at 10 p.m. to Monday, May 1 at 5 a.m. for a pavement rehabilitation project. Up to two lanes will be closed from Downey Avenue to Clark Avenue. During the lane closures, the carpool lane will be considered a regular lane.

Night time closures are necessary to minimize traffic delays and provide a safe work zone for construction crews and motorists while working along SR-91. USS Cal Builders, Inc. is the contractor on this 16.5 million project which began in June 2016 and is expected to be completed in spring of 2017. Construction changeable message signs will be in place to alert motorists of construction activities and closures. Motorists should anticipate delays, plan ahead, and use alternate routes. Caltrans advises motorists to **“Be work Zone Alert.”**
